How to Complete Data Confirmation

An important tool to keep track of your child's attendance, grades, and school communication is Aeries Parent Portal. Data Confirmation is an annual process that allows returning families to view and update important information such as emergency contacts, review District and school policies, and approve important forms the District must have on file for every student, including technology use, media release, and more.

In order to view your student's information this school year, you will need to complete the data confirmation process for each of your students.

To log into Aeries Parent Portal:

- Online: <https://parent.twinriversusd.org>
- Mobile App: [iOS](#) / [Google Play](#)

Parents and guardians who have not received an email with account details can get help by contacting your school's front office.

For a list of school phone numbers and website, please visit <https://bit.ly/TRUSD-Schools>.

We have created this step-by-step guide to navigate the data confirmation process, and ensure you are able to successfully complete the information requested by the District and school staff.

Section 1: Family Information

The screenshot shows a web browser interface for the Aeries Parent Portal. At the top, a message states: "You must complete data confirmation before accessing other areas of the portal." Below this, there are instructions: "Please confirm your student (above) is assigned at the right school (in the banner above).", "If your student is enrolled in more than one school, click on the 'Change Student' dropdown menu.", "Once you are on the right student and school, you may begin.", and "Follow the instructions on each tab below." A sidebar on the left contains a list of tabs: 1 Family Information, 2 Income, 3 Student, 4 Contacts, 5 Medical History, 6 Documents, 7 Authorizations, 8 Final Data Confirmation, and a green "Confirm and Continue" button. The main content area is titled "Please select whether or not at least one parent/guardian of this student is active in the United States Armed Forces:" and contains two radio button options: "Yes, at least one parent/guardian of this student is active in the United States Armed Forces." and "No, this student does not have a parent/guardian who is active in the United States Armed Forces." Below this, it says "Please select one of the following options to complete the residence survey:" and lists five radio button options: "Temporary Shelters", "Hotels/Motels", "Temporarily Doubled Up", "Temporarily Unsheltered", and "None of the above".

Military Service: Please select whether or not at least one parent/guardian of this student is active in the United States Armed Forces.

Housing Questionnaire: Please select one of the following options to complete the residence survey.

How to Complete Data Confirmation

These are the following options on the Housing Questionnaire:

- *Temporary Shelters:* A temporary residence provided for homeless individuals who would otherwise sleep on the street or a temporary residence provided to individuals in emergencies. This is also applicable to children who are in temporary residences awaiting permanent placement in foster care.
- *Hotels/Motels:* A temporary residence for homeless individuals usually requiring payment or vouchers for lodging and services on a daily, weekly, or monthly basis.
- *Temporarily Doubled Up:* A temporary residence where a homeless family is sharing the housing of other persons due to the loss of housing, economic hardship, or other similar reasons.
- *Temporarily Unsheltered:* A type of residence for homeless individuals that is not meant for human habitation, such as cars, parks, sidewalks, abandoned buildings, campgrounds, trailer parks, bus and train stations, or persons abandoned in the hospital (on the street). A rule of thumb would be to see the dwelling as comparable to an automobile in that it shelters but is not adequate housing.
- *None of the above:* You may select this option if none of the above home situations applies to this student.

Please answer both sections and click 'Confirm and Continue' to move to the next tab.
