

Aeries Parent Portal: How to Create an Account

Contact your student's school and provide your email address to the office who will create your account. (This is also how you would add more students to your account.)

Once your account is created, you will receive an email similar to the one below.

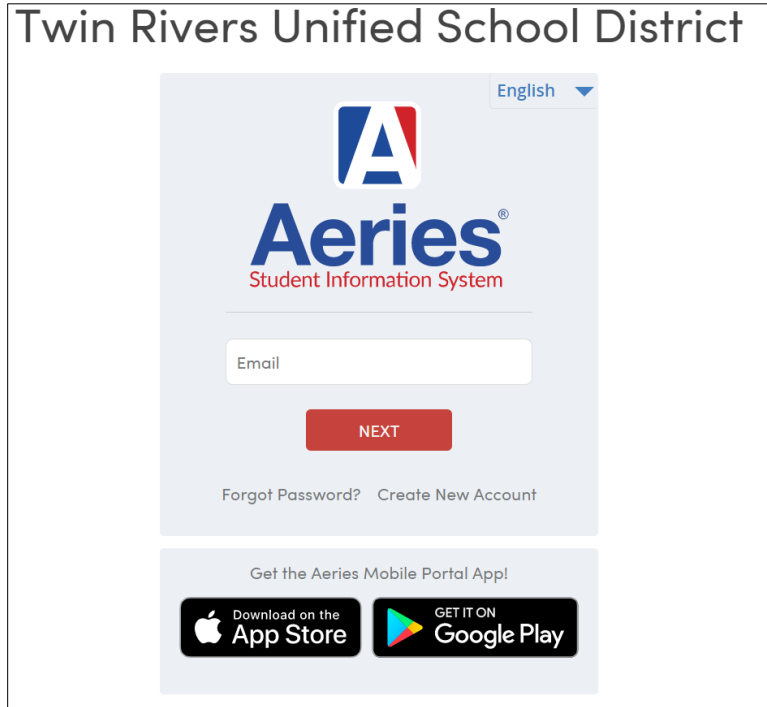

Important parts to note:

- URL – The website where you will log into Parent Portal [<https://parent.twinriversusd.org>]
- Username – Your permanent user name for logging into the Parent Portal
- Password – A temporary password that you will be asked to change on first login

Navigate to the URL given and log into your Account

- Please note, if you ever need to reset your password, come to this page and click the “Forgot Password?” link.
