Welcome to Aeries Online Enrollment

Twin Rivers Unified School District

Welcome to Twin Rivers Unified School District Online Enrollment. Online enrollment allows you to quickly start the process of registering your child for school. Information about your child such as emergency contacts, medical, and language information will be collected. The online process typically takes between 20-30 minutes. If you are unable to complete the process in one sitting, you may logout and resume the process at a later time.

To use the system:

- You must have a valid address within the Twin Rivers Unified School District [boundaries](#).
 - If your address is outside district boundaries please contact [Student Services](#).
- You must have a valid email address. No email address? [Google provides free accounts](#).
- You may need to use a computer to complete this process. The Online Enrollment system does not work as well with mobile or notebook devices.

To get started registering a new student, click the Enroll a New Student button.

Once an account has been created, you can enroll another child by clicking Enroll a New Student.

- Choose the correct year.
- At the **Required Information** click Next again.
- At the **Login** page, log in as an existing user.

This will allow some information that was input for the previous student to auto-fill responses for the student you are currently enrolling.

Upon completion of the online registration, the student's information is electronically sent to the school, but registration is not complete until all required documentation is verified. Please note, during the school year it may be necessary to transfer your child from one classroom to another or to another Twin Rivers Unified School District school in order to comply with the state and district laws and policies on class size.

If you need further assistance and support, contact [Student Services](#) or your home school.
